About Us

We, Flow Cool have consistently been the ideal company to pick from when looking for various heating and cooling solutions. Ever since the foundation of our business in the year 2018, as a manufacturer and supplier, we have offered our clients a distinctive range of heating & cooling systems. Using the finest quality raw materials, we manufacture a wide range of goods, such as Die Casting For Oil Cooler Machine, Mild Steel Shell With Tube Heat Exchanger, Mild Steel Water Cooled Heat Exchanger, etc. However, we make sure that every product is checked in accordance with the highest quality standards following the production process. We additionally work as a service provider and give top-class services like Heat Exchanger Maintenance Service, Heat Exchanger Retubing Service, Heat Exchanger Cleaning Service, etc.

The primary objective of every production-based company is to increase the marketability of its products. On the other hand, our company, Flow Cool has been successful in creating a name for itself in the market and offering a distinctive range of cooling and heating solutions. We provide a wide range of products, including Copper Coil Hydraulic Oil Cooler, Mild Steel Gas Heat Exchanger, Injection Molding Machine Oil Cooler, Copper Bundle Heat Exchanger, Automatic Hydraulic Oil Cooler, and many others. Our facility is situated in the industrially renowned city of Faridabad, Haryana, India, where our incredible product range is expertly manufactured. The demand for our products has been gradually rising, and we are always looking for new methods to make it even higher.

Key Facts

No of Staff	10
Year of Establishment	2018
OEM Service Provided	No

Our Products

Industrial Hydraulic Oil Cooler

Mild Steel Water Cooled Heat Exchanger

Injection Molding Machine Oil Cooler

3 Phase Water Cooled Heat Exchanger

Die Casting For Oil Cooler Machine

Copper Heat Exchanger Repairing

Copper Heat Exchanger Retubing

Copper Bundle Heat Exchanger

Mild Steel Gas Heat Exchanger

16 LPM Shell Tube Type Heat Exchanger

Leakage Heat Exchanger

Chemical Cleaning Heat Exchanger

Aluminium Air Cooled Heat Exchanger Fan

Mild Steel Hydraulic Oil Cooler

Mild Steel Shell With Tube Heat Exchanger

Copper Hydraulic Oil Cooler
